

MELFORT COMMUNITIES IN BLOOM ~ 2016

... Spring has sprung (according to the calendar) and as we keep cheering the Mustangs onto Westerns and the Royal Bank Cup, we are also are gearing up for another 'blooming' busy season promoting our civic pride and sustainability!

We have an eager group of volunteers making big plans for another exciting season following the guidelines of the Communities in Bloom program.

Our spring & summer plans

- Barbeque, "Cookie" sale
- Highlight the big 'M'
- Create a new flowerbed at Main St. N & MacDonald Road
- Conduct a 'tree carving' class
- Many other projects to include the schools and general public still pending depending on financial feasibility and manpower involvement....

To help our community bloom

- We will be planting planters along the walking paths and Main Street.
- Restore and maintain an overgrown flowerbed in Spruce Haven
- Maintain flowerbeds in Memorial Garden, Scharfstein Park, Burrows Pocket Park, Spruce Haven, Sask. Drive

We have accomplished a lot since 2004 because of your fabulous support; we *sincerely* **THANK YOU** and ask for your continued support for our ongoing projects through our sponsorship program.

Questions, comments or for more information, don't hesitate to call us;

Myra Busby 306.752.2714
