Utility Billing Pre-Authorized Payment Plan

The Pre-Authorized Payment Plan (PAP) allows your (bi)monthly utility payment to be a u t o m a t i c a l l y deducted from your bank account.

Conveniences you'll enjoy: no more cheques or postage, no line ups or last minute rush.

How Does The Plan Work?

After your initial authorization, we will automatically debit your bank account for the billed amount shown on your utility statement. You will continue to receive a (bi)monthly utility invoice which lists your utility charges.

Payments must be made in Canadian dollars against a Canadian chartered bank, trust company or credit union.

The debit will be processed on the **DUE DATE** shown on the utility invoice.

No additional administration fees are charged.

Who Can Sign Up For PAP (Pre-Authorized Payment)?

All City of Melfort utility customers are eligible for the Pre-Authorized Payment Plan.

How To Apply

Fill out the attached form and return it to the City of Melfort office; either in person or mailed in with your utility payment. Once the application is processed, a message will appear on the front of your bill confirming your participation in the Pre-Authorized Payment Plan (PAP)

Applications or any other changes to your Pre-Authorized Payment Plan must be made <u>2 weeks prior</u> to your next billing date.

What if I sell my property?

If you sell your property, it is your responsibility to immediately inform the City's utility department to arrange for cancellation of PAP or transfer the PAP to your new home at least 2 weeks prior to your next billing date.

What if I change bank accounts?

If you change your bank account, please advise the City's utility department at least <u>2 weeks prior</u> to your next payment date.

If any payments are missed, the City of Melfort has the right to cancel the agreement. A \$20 service charge will be applied to any payments returned by your bank.
